

HAPPY THANKSGIVING! MERRY CHRISTMAS! HAPPY NEW YEAR! THIS OUGHT TO COVER IT ALL...

OUR TRIP IN FOCUS

ABOVE: OVER 150 PROFESSIONS OF FAITH WERE MADE FOR JESUS AT RIFT VALLEY ACADEMY DURING SPIRITUAL EMPHASIS WEEK.

RIGHT SIDE: CLOSE TO 80 STUDENTS RESPONDED TO GOD'S CALL TO SERVE HIM ONE DAY IN FULL TIME MINISTRY. OVER 80% OF MK'S RETURN TO THE FIELD AS ADULTS...

From the mountains, to the valleys, to the oceans white with foam & all the way to Kenya

Back in September we joked that the test of a good marriage might be two months traveling across the country confined in the front seat of a Honda Ridgeline. We're happy to say that not only did we survive, we thrived! God blessed us as we put close to 7,000 total miles under our tires, and together spoke just over 50 times. We thoroughly enjoyed the conversations, our breath-taking country, the fellowship with

old and new friends, and especially the ministry opportunities. Every decision for Christ is a miracle...and God allowed us to see over 200 miracles that He worked in individual lives. This blessing often stopped our hearts & filled our eyes with tears. Keep in mind, some of the places where we saw the greatest fruit were on campuses where Christ is honored and preached (often). We thoroughly enjoyed that we

could do this TOGETHER! In all our married years, this is a first. We've realized the value of ministering as a couple, and the diversity in venues that it affords us. Because Peg can meet with women, and Bay can focus on the men, we are much more Kingdom-effective.

Join us as we share our two months "on the road" through pictures...

A Little of This & That...

Upcoming Events for Prayer

We'll take a little break over the holidays that are just around the corner, but sandwiched in between Thanksgiving and Christmas, Peg will be speaking at two significant Christmas outreach events for women (one in Arizona, and one in Colorado).

In January we'll prepare for and host our annual board meeting.

In February we'll head to Cuba (*by the way, if anyone is upgrading their laptop, and is looking for a place to donate an old one for a tax receipt, contact us - we're hoping to take several to Cuba for the pastors*).

The end of February, Bay will be speaking at Cal Baptist University...and in March, after speaking to a group of umpires for professional baseball, we head to Liberia again for a couple weeks of ministry with Samaritan's Purse.

One Other Prayer Request

While traveling through North Carolina, we stopped to visit the Samaritan's Purse headquarters in Boone, NC. Because we have partnered with them in Liberia, we wanted to see first hand the ministry, through the eyes of their stateside home base. In the middle of their introductory video, we realized that we knew SP's International Vice President, having served with him years ago with Kingdom Building Ministries. We had the privilege of re-connecting and catching up. During that meeting, our friend asked us to consider the possibility of traveling from time to time with SP as a part of their Spiritual Care Team. These teams go into

other countries and provide spiritual and emotional refreshment to the on site ministry staff. While this would fit well with some of Peg's strengths and gifts, we want to make sure it would dovetail with Bay's. We truly desire to be open to whatever the Lord has for us, so we'd ask you to join us in prayer as we "get our feet wet" (so to speak) in March on our return to Liberia. Part of that trip will be designed to come along side and encourage the Liberia staff.

A previous Christmas Tea like the ones Peg will be speaking at in Arizona and Colorado in December. Pray for those who might be in attendance, who have never given their hearts to Jesus. What a great way to celebrate the holiday, by receiving the greatest gift ever given!
